WOW what a busy week we have had here at PPS. Healthy schools' week has been such a success. We have had visiting sports coaches for football, Epic Gym, tennis, wheelchair basketball and athletics, and all our classes have engaged with sporting opportunities with their class teachers. Each class spent the week learning about a country which is linked to a pupil from their class. They found out about the culture of that country, learnt about its Geography and created some fabulous artwork. Year 6 went on their annual trip to PGL where they took part in a range of outdoor pursuits and team building activities.

Our Reception and Year 1 pupils have already spent two sessions with their new teachers for next year, and have been getting to know each other through some games and super fun activities!

Thank you to our wonderful staff team who go over and above to make these opportunities happen for the children. We are so lucky to have such a team of dedicated and kind people!
