

Portishead Primary School Newsletter

Friday 6th June 2025

A message from Mrs Sargent

Well done to all our children for such a fantastic first week to the summer term. All classes have been busy creating excellent pieces of writing- we were particularly impressed with Year 2's compositions based on a book about magical machines and Y6's writing based on a book called 'The Promise'.

Emails have been sent out for the carnival via email this afternoon- if you have signed up, please check your inbox for details of timings etc. Next Friday, our lorry is arriving at 4pm in the school car park ready to be decorated for the carnival. If you are able to lend a hand for half an hour, we would really appreciate it. If you have a step ladder that would be very helpful!

UNNAMED LOST PROPERTY - POLITE REQUEST

We currently have a lot of unnamed lost property e.g. water bottles and school uniform by the school office. Weather permitting this will be placed outside of the school office for you to come and check to see if it can be reunited with its rightful owner.

Please could we ask that **all** items that your child/ren bring in to school are clearly named so we can then return it to classes.

Any lost property that is not claimed by the end of the school year will be recycled.

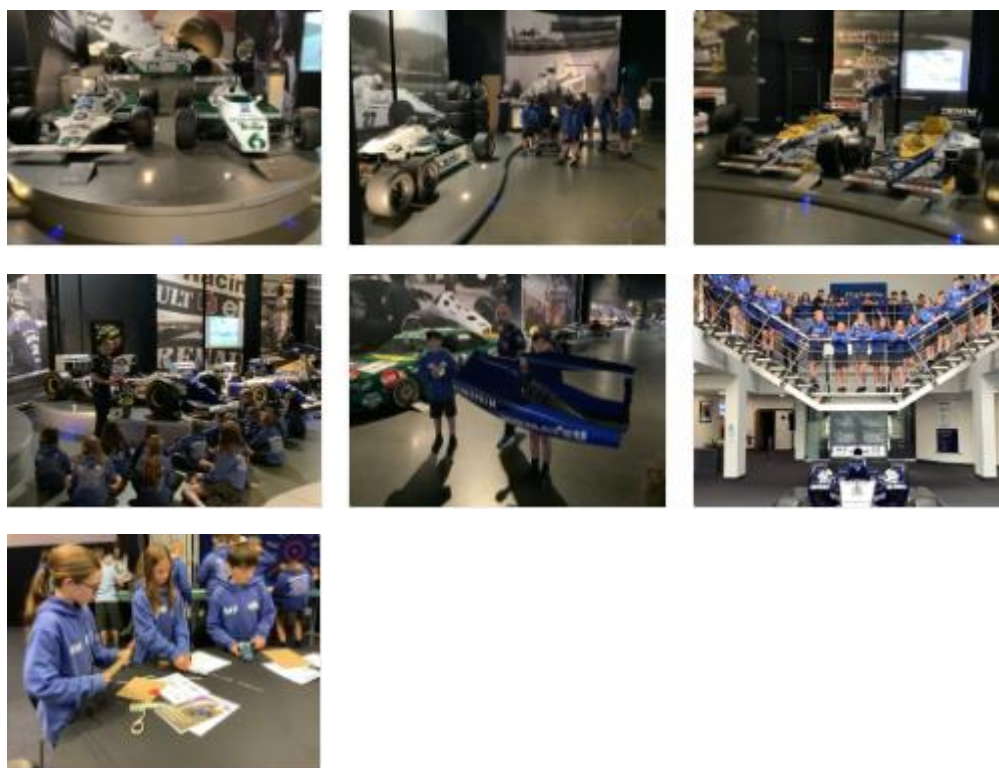

Thank you

WILLIAMS RACING

At the end of last term, we took a group of Year 6 pupils to the Williams Formula 1 Team base in Oxfordshire. The day was based in the Williams HQ and started with a morning of STEM (Science, Technology, Engineering and Maths) activities linked to F1 culminating in the children designing, making and testing the most effective nose cone they could for an F1 car.

After lunch, the children had a guided tour of the Williams museum, which is full of their racing cars and memorabilia, before a session on the esport simulators racing around tracks from around the world.

The children loved the day and were inspired to explore careers in engineering and to find out more about Formula 1!
