

Friday 10th January 2025

A message from Mr Meredith

Happy New Year!

I hope that you all had a fantastic Christmas break and found time to spend time with family and friends. The children have returned to school full of energy and stories of what they did over the holidays which have been lovely to hear. They have been excited by the cold weather and spent breaktimes looking for ice and frozen puddles! We do seem to have avoided the snow so far though!

In assembly this week, we learnt about New Year resolutions and how many people use January as a time to start new hobbies and make changes in their lives. Lots of the children shared their resolutions too ranging from playing more football to eating all their tea every night!

Value of the Term

Our Value of the term is Inclusion. The children will be having Key Stage assemblies to learn more about Inclusion and how we live that value in our school.

Dates for your diary
