Learning and achieving together

---

12<sup>th</sup> November 2021

Dear Parents and Carers,

Another lovely week at Portishead Primary School comes to an end with much to be proud of and celebrate.

## **Poppies**

Thanks to everyone who has donated here at the school. We have been regularly resupplied by our friends at the Portishead branch of the RBL. We have been touched by your kindness and generosity, as always. On Thursday a special visitor ended our remembrance with a very moving performance of "The Last Post".

## **Anti-Bullying Week**

**Monday 15<sup>th</sup> is Odd Socks Day** – please do join in with this celebration of diversity.

**Friday 19<sup>th</sup> is Children in Need** non-uniform and we have decided to hold a Pyjama day. (Please also layer up and bring coats according to the weather forecast!). There will be a bucket at the front and back gates for donations.

Year 1 and 2 will be designing an anti-Bullying superhero in class.

Year 3 and 4 are writing acrostic poems.

Year 5 and 6 are writing anti-bullying raps/songs.

This week our ambassadors updated our anti-bullying charter and anti-bullying policy. These will be shared by class teachers with children next week and have been updated on our school website.

Next week our school home learning for children from Year 1 to Year 6 is to design an anti-bullying poster. We look forward to seeing what wonderful creative ideas you can come up with!

## **Site work**

You may have noticed the work on the back field. We are in the process of adding a waist high fence around the path on the field. This will create a safe environmental space for us to rewild as part of our environmental work, as well as separating children from the main fence adjacent to the marina path.

We are also refurbishing Pirate Island which is an ongoing project in partnership with FOS. Everyone is looking forward to the wreath making evenings and our Christmas Fair!

Kind Regards

Richard Riordan
