Anti-Bullying Poetry Competition

Dear Parents and Carers,

Our anti-bullying ambassadors have set the school a poetry challenge.

We would like children to write their own poem or rap that celebrates or encourages anti-bullying. This can be any form of poetry and poems should be written on a sheet of A4 paper.

Children could write an acrostic poem and our ambassadors have suggested the following words (though children can be as creative as they like and may prefer to come up with their own suggestions): Friendship, Kindness, Anti-bullying, Teamwork.

Poems should be submitted to class teachers by no later than Tuesday the 7th of June and prizes will be awarded for each year group, a key stage winner and an overall winner. We have invited Mr Gary Lewis CEO of our Trust to join our judging panel.

We will also create a book of entries for the school library.

We hope that your child takes part and can't wait to read the entries.

Kind Regards

Richard Riordan
