

Learning and achieving together

Year 6 Autumn Term - Victorians

Dear Parents and Carers,

We hope you have had a restful break this summer and enjoyed some lovely sunshine! Please find attached a summary of the main learning areas next term whilst below are some reminders for you for the start of the new school year.

Reading

Children should be reading aloud to an adult at least 3 times a week, even when they are confident independent readers. This is important to develop their fluency and comprehension. Please write in their reading record to show you have heard them read. **Reading books and records should be brought to school every day.** We use these to check the number of times children have read at home in order to earn their Star Reader certificates.

Home learning

Maths and English home learning books will go home on a Thursday and should be handed in by the following Tuesday. Children will record in the front cover which pages they need to complete. The pages will also be uploaded to ClassCharts in case they forget or are away on the day we set them. Each term's spelling overview is also on ClassCharts in case you need a spare copy and each week's words are uploaded on to Spelling Frame.

Children should also be regularly practising their times tables on TT Rockstars, Maths and Grammar and the Doodle apps or website. Please ask if you need log-ins for these.

PE

Children need to wear their PE kits (navy t-shirt, blue shorts/trousers and trainers) to school on **Mondays** to avoid the need to use the changing rooms.

We have really enjoyed welcoming back the children after the holiday. If you have any questions, please email yeargroup6@portisheadprimary.co.uk or leave a message with the school office.

Kind regards,

The Year 6 Team
Miss Woodyatt, Mrs Bennett, Mr Taylor

Autumn Term 2022 Curriculum Topics Terms 1 & 2

History and Geography

The Victorians
Population growth
Industrial Revolution
The British Empire

Computing

E-safety
Data and information
Introduction to Spreadsheets
