

## Anti-Bullying Charter

At Portishead Primary School everybody has the right to feel safe, be treated with respect and be treated kindly. Everyone should feel valued for their differences.

We agree to:

- Make people feel welcome
- Treat others as we wish to be treated and treat people fairly
- Think before we speak because words can be hurtful
- Support each other
- Share smiles because they are contagious
- Share kindness with people who are feeling down
- Include people so that they don't feel left out in games and activities
- Talk to people who have chosen to sit on the friendship bench because they are feeling lonely
- Take responsibility for our own actions and be prepared to compromise and share
- Ensure that our behaviour online is kind, respectful and safe at all times
- Trust adults to share our problems with so that we can sort them out
- Share with an adult if we are feeling sad or see something we feel uncomfortable with so that they can help with the problem
- Take all bullying seriously
