

Portishead Primary School Universal Provision 2024-25

Quality First Teaching

- A broad and balanced curriculum set within inclusive environments with policies in place for identifying and supporting children across the school
- Teachers and support staff delivering learning use explicit instruction with clear explanations, modelling before pupils move to independent learning (I do, We do, You do)
- Teachers and support staff are aware of cognitive load theory and apply this theory within their classes.
- Teachers / support staff model metacognition strategies e.g., shared writing, mathematical processes, reading in the moment
- Teaching strategies that consider difficulties with language and communication needs as well as social understanding
- Scaffolds are used within learning until pupils are able to learn without them. E.g., sentence stems, writing frames, word banks etc.
- Flexible groups within the class are created in response to AFL so that the teacher can pitch learning for each pupil.
- Carefully planned support - Where appropriate the teacher / LSAs use supportive strategies for pupils with poor executive function.
- Visuals support learning e.g., checklists, now and next tasks, chunking/ blocking of information
- Discussion through talk partners used effectively so all pupils are supported
- Strong CPD and training offer for all staff
- Research based intervention
- Flexible use of support staff across year groups and phases

Classroom adaptations and resources

- Careful seating plans, taking into account lighting, positioning, managing distractions
- Uncluttered and well organised learning environment
- Coloured overlays/backgrounds/ coloured paper to reduce visual stress
- Use of visual timetables are embedded across all classrooms
- Use of visual representations and Makaton to aid communication
- Table top print outs of PowerPoints.
